

Sweet Amarillo

Intro (Play Twice): **G D Em C G D C G**

Well the world's greatest wonder Verse 1:

from what I can tell

Is how a cowgirl like you could ever look my way C

I was planted by glory with a half written story

Songs spilling out of every page

Sweet Amari^Dllo Chorus:

Tears on my pillow

You never will know how much I cried

Sweet Amari^Dllo

Like the wind in the willow

Damn this old cowboy for my foolish pride

Instrumental: Play Intro

So I drifted on down iron old range Verse 2

Across the wide Missouri, where the cool waters flow

When I got to Topoka, I looked up your name

It said you rode off with the last rodeo

Repeat Chorus Instrumental: **G D C G**

When the thunder a-rumbling

And the tumbleweed's tumbling

And the rodeo clown's off painting their face

I'm gunning the throttle for the Llano Estacado

On the wild appaloosa, I'm blowing your way

Instrumental: Play Intro Twice

Verse 3:

Down in old Amari^Dllo there's a light in the window

Where a road weary shadow drifts into the arms

Of a long distance lover

Then they turn back the covers

And dance the rumba 'til the light of the dawn

Repeat Chorus

Sweet Amari^Dllo D C G
